The Eder Board has affirmed screening out companies that produce weapons and promote war, but not companies that do not fit these categories, but instead contribute to the betterment of humanity, such as pharmaceutical firms that work to eradicate or treat COVID-19. Removed from the list from 2024 are – Okinawa Idemitsu, British Petroleum, Valero Energy, and Rolls-Royce.

\* Denotes new to the list for 2025.

+While Eder will not invest in Microsoft, it will continue to use Microsoft products to support its operational needs as it is not feasible at this time, to find an alternative without undue risk to the organization. Eder remains committed to continuing its practice of not investing using the other companies on the list.
