Health & Life

the Eder Way

Take a bite out of your dental bill

Dental insurance makes dental care affordable by paying for preventive services and treatments. Eder dental plan members get:

- Two check-ups and cleanings annually
- Two sets of x-rays
- 80% coverage for fillings and 50% coverage for surgical procedures, dentures, bridges, and implants.
- Discounts on many other procedures as well

Medical research shows that poor dental hygiene and lack of preventive care can cause tooth loss, cracked or fractured teeth, gum disease, and can lead to other illnesses such as cardiovascular disease, diabetes, respiratory disease, and obesity.

Good oral health is a window into your overall health; when your teeth are in good shape, it is more likely that you will be too.

Time to take a look at your insurance

Open enrollment is the annual period when you can enroll in new insurance products or update your current coverage without medical underwriting. This means you will be eligible for guaranteed coverage, up to certain limits. Eder's open enrollment takes place November 1-30, and we offer a wide range of insurance products.

- Medical
- Short-term disability
- Long-term disability
- Life
- Dental
- Vision
- Accident
- Medicare supplement
- Pet

November is the only time to make adjustments outside of a qualifying life event such as: Marriage, divorce, death, adding a child to the family, job loss, losing Medicare, Medicaid or CHIP eligibility, moving to a different zip code, or a student who moves because of school.

If you do not have Eder insurance products, talk to your insurance providers.

Health & Life Benefits

Open enrollment—November 1-30

Eder vision insurance = affordable hearing aids

Vision and hearing loss are common characteristics of aging that often occur together. This connection could be why hearing aid benefits are available through the Eder vision insurance program.

Eder's vision insurance program has teamed up with Amplifon, the nation's largest independent hearing discount network, to add affordable hearing care to the vision benefits package which includes:

60-day trial for any hearing aid	Discounted pricing on thousands of hearing aids, including the latest technology	5 percent beat guarantee if you find the same product at a lower price
Free batteries for 2 years	1-year free follow-up care, with unlimited appointments	40 percent off hearing exams at thousands of locations
3-year warranty		

Talk to your organization's benefits contact or Debbie Butcher at 847-622-3391 or insurance@eder.org.
