Get the Most Out of your Health Plan this Year

Your plan is full of great benefits and perks but are you wondering how to use them?

Below are **simple** steps you can take *(if you haven't already)* to make sure you're getting the most out of your health plan this year!

- 1 Access your health plan info online by registering and/or logging into the member website.
- 2 Download the Highmark plan app.
- 3 Find a Primary Care Provider (PCP).

For more information on these steps, [click here](#) to view a brief video or read below.

Easily manage your plan—from anywhere.

Looking for specific information about your deductible, copays and other plan details? You can find it all on the member website and the Highmark Plan app.

Register on the member website.

- Visit highmarkbcbs.com.
- Click on **Register**.
- Follow the registration instructions*.

**(When you register, you'll need your Member ID number (enter numbers only, no spaces, no letters or your Social Security number, along with some personal information).*

Download the Highmark Plan App from your phone's app store.

Use the same login info from the member website if you already have an account. If you've never registered before, you can sign up right on the app by clicking **Register**.

Find the right doctor for you.

A key step to staying healthy is having a primary care provider (PCP) you see regularly. They'll provide your health essentials — like routine vaccinations, physical exams, and preventive screenings. If you need help finding an in-network PCP:

- Visit the member website at highmarkbcbs.com, click the **Find a Doctor or Pharmacy** tab and follow the on-screen prompts.
- You can also use the Highmark Plan app by tapping on the **Find Care** tab to start your search.
